## Outputs of the group discussions on the Structure of the Agriculture Sector

Issues which should remain in the structure	Add	Delete	Comments
	1. DG Cooperatives ( under the Vice Minister)		Because, of the importance of coordination with concerned bodies as well as projects and agricultural offices.
	2. Coordination unit for the four sectors		The aim is to ensure cooperation and coordination and follow up concerned bodies with the tasks of the sectors
	3. Add the communication to the DG for Extension and Agricultural Services		Because, the Communication is directly linked with Extension.
	4. Add “Combating Desertification” to the title to the GD for forestry		Because, the management of natural resources is linked with combating desertification.
	5. Add the water constructions to be under the Deputy Minister for irrigation sector.		Logical Link
	6. Rename the GD for Polices and Irrigation Planning to the GD for Planning of Irrigation Policies.		
	7. Add “ Land use” under the GD for Irrigation.		To clarify the differences between the GD for Planning and the Evaluation Department.
